

Newtec Pharmaceuticals Limited, based in Bangladesh, actively engages in Corporate Social Responsibility (CSR) initiatives aimed at supporting healthcare access and community well-being. While the company does not publish a formal CSR report, its ongoing activities reflect a strong commitment to social impact.

### **Key CSR Activities by Newtec Pharmaceuticals**

1. **Healthcare Support for Underserved Communities:** Newtec provides free medicine samples to doctors and chemists for distribution among the poor and needy. In times of natural disasters, the company supplies free medicines to affected areas as part of its relief efforts.
2. **Employee and Labor Welfare:** All employees, including factory workers, receive free monthly medical support and medicine supplies. Additionally, they are offered free medical checkups on a monthly basis.
3. **Community Engagement:** The company funds doctor and chemist reunions and their annual picnics across the country, fostering community and professional relationships.
4. **Emergency Financial Assistance:** In cases of accidents, Newtec provides monetary assistance to chemists, PC doctors, or RMP doctors upon request

These initiatives highlight Newtec Pharmaceuticals' dedication to enhancing healthcare access and supporting both its employees and the broader community.
